Dear Mr. Stacey,

Attached is a copy of the response sent to you on 3-12-88. Apparently you did not receive it and I am sending another copy. It fully answers your inquiries.

As you did not receive the letter, I am sending another tar floppy of a more recent vmunix for the software problem experienced with the tape drive. I reiterate that the tape drive itself was fully tested prior to ship and you are experiencing a reported and corrected software problem. I am sending a updated vmunix as a courtesy.

Signed,

Lynne G. Messner  
General Manager
